vola®

Free-standing. Free-thinking.

Design for life.

As life and living environments change, VOLA also changes. As the certainties of life continue, so do we. Life goes on. VOLA goes on.

Image: FS3 Free-standing shower with hand shower.

Innovative. Derivative.

New thinking. The same thinking. Our Free-standing Family maintains the VOLA principles of pure geometric design and functionality, first established 40 years ago. We continually refresh our timeless design. We will never revise its classic proportions.

Image: FS1 Free-standing bath filler.

Freedom.

Our Free-standing Family brings new thinking to the bathroom. Walls and panels are no longer required, opening up new opportunities and blurring the line between bathroom and bedroom.

Image: FS2 Free-standing wash basin mixer.

Free-standing does not mean over-exposure. In keeping with our design principles, the less aesthetically pleasing elements remain hidden. The result is pure VOLA.

Shower. Bath filler. Basin tap. Authenticity flows through each member of the Free-standing Family, demonstrating that fresh ideas and lasting values can stand side by side. We embrace change at VOLA. At the same time, we hold on to continuity.

FS1 Free-standing bath filler.

FS2 Free-standing wash basin mixer.

FS3 Free-standing shower with hand shower.

Available in chrome, brushed chrome and brushed stainless steel.
